

Rules for Dapeng Bay Bridge-opening Applications

1. Dapeng Bay National Scenic Area Headquarters, Tourism Administration Ministry of Transportation and Communications, MOTC (hereinafter referred to as the Administration) hereby announces that all legally registered boats and yachts with masts of 17 meters tall or more are required to apply in advance, as they come in/go out of the bay area. The following rules are set for boat/yacht owners to use.
2. For legally registered boats and yachts with masts of 17 meters tall or more, when they come in/go out of the bay area, Dapeng Bay Bridge needs to go up to let them pass. Dapeng Bay National Scenic Area Administration under the Tourism Bureau, MOTC (hereinafter referred to as the Administration) thus sets the Rules for Dapeng Bay Bridge-opening Applications for boat and yacht owners to use.
3. Application Methods and Hours:
 - (1) The Administration accepts applications daily from 09:00 to 17:00. ◦
 - (2) The bridge may go up from 09:00 to 20:00. In case of special needs or emergencies, the time limit does not apply.
 - (3) Applicants should submit applications according to the two aforementioned rules, at least 3 hours ahead of the requested bridge-opening time. If many request to go through the area on the same day or at a similar time, the Administration retains the right to ask all these boats and yachts pass at once.
4. Application Qualification and Documents to Prepare:
 - (1) Legally registered boats and yachts with masts of 17 meters tall or more.
 - (2) An application form for mooring the boat/yacht (this form may be filled out on site).
 - (3) An application form for opening up Dapeng Bay Bridge - upon filling out the form, fax it to the Administration first.
 - (4) A copy of the license of the boat/yacht. ◦
5. Others
 - (1) All boats and yachts should wait at the bay's tidal inlet/outlet at least 10 minutes ahead of the requested time. The bridge will not go up again for late comers, who will have to apply again to the Administration.
 - (2) Those who wish to pass the area on any given weekend or holiday should do so quickly within 5 minutes after the bridge goes up.
 - (3) In case of any land or sea typhoon warning issued by the government's weather authorities, drastic weather, malfunctioning facilities, or any other

force majeure, the Administration retains the right to change the time which an applicant requests and the applicant should agree with the change unconditionally.

6. Others may also ask for opening-up of the bridge through a special project or activity application, upon the Administration's agreement.
